

Lacey Horn, CEO, Native Advisory

Transformational Financial Leadership

Native Advisory proudly serves Tribes, Native-owned businesses, and organizations working with Indian Country. We have deep knowledge of the financial and organizational complexities essential to creating a strong, competitive advantage for our clients. Our extensive experience and global network ensure that even the most daunting financial and political issues are managed with greater ease.

Specialized Services

We create customized strategies and targeted solutions that meet and exceed goals.

CFO Advisory

Expert, high-level guidance for financial health and organizational efficiency and filling in challenging staffing gaps.

Consulting & Compliance

Preparation for clean audits, including backlogs, spending plans, policy updates and more.

Powerful Partnerships

Connecting and leveraging impactful partnerships that accelerate successes and compound wins.

Investing Resources

Due diligence and investing for now and future decision making in budgeting, treasury, capital projects and more.

Financial Strategies

Bespoke plans to bring needs and wishes into reality by curating unique capital stacks or creating solutions for big, expensive problems.

Grant Writing & Management

Securing competitive federal grants to enhance or add services as well as implementation and management support throughout the lifecycle.

Driving Results

By combining traditional values with innovative practices, we drive economic prosperity and enhance financial sovereignty for our clients, resulting in a track record including **1.40B+** in funds acquired or consulted upon.

About Us

Native Advisory is led by founder and CEO Lacey Horn, a visionary financial strategist and transformative leader committed to stewarding the legacy and economic sovereignty of Native Americans and Tribes. As your trusted advisor and counsel, Native Advisory will identify, address and solve your most challenging financial issues with the utmost confidentiality and care.

We help clients achieve ideal outcomes, providing trustworthy counsel backed by extensive experience.

"FOCUSED. KNOWLEDGEABLE. CONNECTED." —Tribal Treasurer

"PROFESSIONAL. PURPOSEFUL. RELATABLE." —Tribal Controller

"INDISPENSABLE." —Principal Chief
